

Results of the 6th RSPG Questionnaire
Good offices - 700 MHz band
Cross-border coordination issues

September 2018

Evolution vs 5th questionnaire

- **28 EU countries have responded.** Three non EU countries have responded : MK, RS, NO
- Based on the received responses, **national roadmap** is agreed for 24 EU countries. **BE, BG, CZ, HR do not have yet agreed national roadmap.**
- The date for planned **end of migration date** is **exceeding 2020** for **IT, LV and LT(2022)** as well as **HR and MT (2021).**
- All countries have now specified the planned **authorization date before 2020.** The date remains uncertain for HR (between 2020 and 2022).
- Coordination within EU was finalized (ie “signed”) before 31st December 2017 except around Belgium : agreement is now signed with LU, NL, FR and ongoing with GB, DE.
- Still many coordination issues with non EU countries, without significant progress since January
 - Cyprus vs Turkey.
 - IT/MT vs North Africa
 - IT vs Albania
 - Eastern cluster : mainly Russia and, to a lower extent, Belarus and Ukraine
- Significant transition issues mainly with countries outside EU. Inside EU :
 - Latvia/Estonia transition plan agreed between the 2 countries
 - Clarification needed on the availability of the Croatian GE-06 channels used by Italy
