# Update of the maps 700 MHz situation

- **National roadmap for EU countries: only Croatia did not yet publish its roadmap**
- **New maps with many “green” (=done) or “blue” (= 2020) countries**
  - **End of migration:**
    - **Most countries will be in line with the 2020 deadline. Areas of delay : countries neighbouring Russia and the Italian cluster (Italy/Croatia/Malta)**
  - **Authorization date :**
    - **Most countries will authorize mobile networks before end 2020. Areas of delay in relation with the Russian cluster (Poland) and the Italian cluster (Croatia/Malta)**
- **Remaining transition issues between Croatia/Italy and Romania/Ukraine are under consideration in the good offices (see report)**
